2023 Finals Truck Winner – Hayden Sanders! Congratulations – and enjoy that new ride!
The points race for the truck was a good one; there were several close contenders who really roped outstanding. A busy last day of roping got Hayden to the top of the leaderboard to clinch the win.

So many great ropers and such good competition at 2023 Finals. Excellent job from all the winners. We paid out just over \$370,000 in cash *plus* our full awards prize line. Complete results can be found on our website at www.otrc.net and on our Facebook page and also in Dally Times Magazine.

We are happy to celebrate the end of another successful roping season. Finals was a super event and we want to thank all the ropers, sponsors and hard-working staff for all their support and dedication. Planning for next year is already underway - we will be in Abilene July 1st through 6th for 2024 Finals.

Have a wonderful rest of your summer!

All our best to all of you,
Original Team Roping, Inc.
