

Newsletter – March 2024

Wow! The ropings just keep rolling and we get closer to OTRA Finals! Make sure you are getting to your district ropings and qualifying for your District Finals AND also OTRA Finals. Finals will be in Abilene again this year. The dates are July 1st through 6th. A grand prize pick up truck will be given away once again to the high point roper of the Finals! Make sure you and your partners are qualified in as many ropings as possible – the more you enter the better your chances at placing and getting those points!

Also – remember that we have a regular season point race for money awards for the Top 3 point earners and Finals Entry Credit for the high point in each individual district. Placing and perfect attendance at the district level can earn you points for the regular season awards, so get entered up as much as you can! Good Luck!

Our March schedule:

2nd - WEST & ELK CITY
