

Newsletter – MARCH 2026

March means it is time to buckle down and make sure to get to your district ropings and get qualified for OTRA Finals!

Here is our March schedule – it is a full one, for sure!

MARCH 7 - SAN ANGELO & EL RENO & LEVELLAND

MARCH 14 - PORTALES

MARCH 21 - AMARILLO & ABILENE & DECATUR

MARCH 22 - CLEBURNE

MARCH 28 - AVERY & VERNON

MARCH 28 & 29 - STANTON

It seems crazy to think that March marks the half-way point of our regular season!

Time definitely goes by so quickly!

Be sure to focus on getting qualified for your District Finals by attending at least two dates in the district prior to a District's Finals – and as always, qualification is by the individual roping division.

To contribute to each District Finals prize line, the association is awarding *DISRICT FINALS CHAMPIONS in EACH ROPING DIVISION a free OTRA Finals entry*. This means that at a *District Finals*, if you are qualified, and you win first in any roping – you will get a free entry towards OTRA Finals. You do not have to rope at OTRA Finals with the same partner that you win with at the District level, you can use your free entry however you choose.

Also for EACH DISTRICT FINALS - HIGH MONEY ROPER OF THE DAY WINS \$450 FINALS ENTRY FEE CREDIT! This means if you are the qualified high money roper at District Finals, you will have \$450 in free entries at OTRA Finals!

Keep in mind that you can get qualified for any District's Finals.

So, if you enter up and win big at District Finals, you can have extra money to enter with at OTRA Finals!

All our best to all of you -- Original Team Roping, Inc.
