

## Newsletter – November 2015

Please see the ad in this month's issue of Dally Times for 2016 District Dates!  
We are planning on a great season, so get your calendars marked for the OTRA dates in your area. A Regular Season High Point Trailer will once again be awarded for 2016. Attendance in and out of your home district is key in earning points for the trailer. Points are based on Perfect Attendance and Placing at District Ropings. In any District or Districts - Attend every date in a category at the district and receive one point per category for perfect attendance. Attend at least two different district dates in your home district AND at least two different district dates outside of your home district and receive a point for every time you place in any district on any date. Get roping and get placing and get that trailer to pull around and show off at all the ropings!!

We wish each and every one of you a very blessed and wonderful Thanksgiving!

Oh give thanks to the Lord, for he is good, for his steadfast love endures forever! Psalm 107:1

All our best to all of you,

Tim & Whitney McCright  
Original Team Roping Association, Inc.
