

Newsletter – January 2016

Let's kick off the New Year with a BANG!!! Eight Districts start their season this month! We want to express our gratitude to everyone who helped make 2015 another good year for OTRA. To always keep improving, let's work together to make 2016 even better!

Our Beginner Roping is something we are really proud to offer. It is awesome to see new ropers come to the sport and we want to do everything we can to encourage them! There is a time limit for being a Beginner, so we do hold true to that definition. When a roper wins \$800 or more in the OTRA while being classified as a Beginner, they are awarded a trophy belt buckle. We keep records of the winnings and once a roper's goal is met and all results are verified, the buckle is sent directly to the roper. So if you know of someone who has been waiting for the right time to start competing, help them get some good practice and bring them to rope with OTRA!! Or, if you are already a member and classified as a Beginner, get your game on and come win that buckle!!

All Our Best to All of You!
