HAPPY HAPPY NEW YEAR 2019!

So, let's get the party started for 2019! We have added one more district in Blanchard, OK at the Owens Ranch. Brandon McGuire from Erick, OK will be the producer. We are very excited about our Oklahoma Districts this year! Check out schedules on our website at [www.otrc.net](http://www.otrc.net).

To all our Andrews, TX area ropers, please mark your calendars for the first roping of the 2019 season at the ACE Arena for January 26!!

We would also like to extend a huge THANK YOU to RED RIVER ARENAS! They certainly are a great sponsor to OTRA! Their support helps provide our Finals prizes. Be sure to check out their awesome products on their facebook page and on their website, [redriverarenas.com](http://redriverarenas.com)!

Remember, the first ropings of the season can get a little hectic with everyone renewing their memberships! Our producers thank you in advance for your patience!! Good luck and have fun!!

All our Best to All of You!
