

Newsletter - October 2019

Our 2020 schedules are shaping up! Keep watching for a full schedule coming soon! We do have some news from our districts that are important to take note of! The Decatur District held at the NRS Arena will be starting their 2020 season on October 27 and will have ropings on both November 16 and December 14 as well...so if you are eager to get to some OTRA ropings in the near future, get to NRS and enter up! We are happy to announce that Robert Roberson with NRS will now be the point person for the Decatur District. Please note that 2020 memberships can now be purchased and 2019 memberships are still valid through 12/31/19. A new district is scheduled for Whitesboro, TX and will be produced by the Krantz Family at their Roping Spur Arena. We are excited to have them join us and we look forward to working with them! The Wichita Falls District will be relocating to the Texoma Cowboy Church Arena. The West District will hold ropings again at the Black Gold Arena which has been undergoing some very nice improvements. The Blanchard, OK district will be discontinued at this time; however, a NEW Oklahoma district will be held at the really nice venue of Riverbend Arena in Inola, OK and will be produced by Brandon & Randi McGuire. The Abilene District will again be held at the Taylor County Fairgrounds which is still undergoing some excellent construction...as the old Horse Barn Arena is phased out, ropings will be held in either the Covered Outdoor Arena or the newer Livestock Barn Arena...stay tuned for Abilene updates, because if all construction progress stays on track, the brand new climate controlled arena is expected to be ready by April/May of 2020...it is going to be AMAZING to have OTRA Finals in an air-conditioned facility! We are certainly looking forward for the 2020 season to get underway!!

All our best to all of you,
Tim & Whitney McCright
Original Team Roping Association, Inc.
