From a draw partnered team winning the #2.0 roping, a sister team winning the All Girl roping and Garrett Baldwin heading and heeling his way to a truck victory, we had such a wonderful time at OTRA Finals 2021!

This year at Finals, it was amazing to see the unending dedication and support of family and friends. In May of this year, Rustin Baldwin died tragically in an automobile accident. Garrett and Rustin were brothers, friends and roping partners. Garrett and his family and friends bravely decided to "Rope for Rustin" and continue their tradition of attending OTRA Finals. A true inspiration to all of us, all of the Baldwin family stood strong. Through the sorrow that will never go away, through remembering and honoring Rustin by doing what he loved to do, through persevering with prayer and strength from God, the Baldwin family and friends are a true testament of love, strength and courage. #ropeforrustin

All our best to all of you,
