

## Newsletter - January 2021

So long 2020 --- HELLO 2021!! Happy New Year everyone!

January starts our regular season off with our newest district in Levelland, TX! We will rope there on January 9 and will award some buckles! The Mallet Event Center is a great facility and we are really looking forward to having ropings there.

Our other scheduled January dates are:

January 16: Amarillo - Abilene - Mineral Wells - Elk City

January 23: Stanton - Stephenville

January 30: Decatur

Get your calendars marked and get ready to kick off the 2021 season.

There has been great success with our regular season high point awards...so plan and prepare for building up those points! The Regular Season Top 3 High Point Ropers will get: 1<sup>st</sup> - \$2500 2<sup>nd</sup> - \$1500 3<sup>rd</sup> - \$1000

How to get points: Attend every date in a category at a district & receive 1 point per category for perfect attendance! Attend at least 2 different district dates in your home district AND at least 2 different district dates outside your home district to receive 1 point for every time you place in any district on any date! AND don't forget about racking up those points for our OTRA Finals Credits -- Regular Season High Point Female wins \$500 Finals Entry Credit! (*same rules as Top 3*). Regular Season High Point in *EACH DISTRICT* wins \$500 Finals Entry Credit! Finals Entry Credit for OTRA Finals only.

One roper cannot receive more than 1 regular season high point award.

District points are figured at 1 per place & 1 per perfect attendance category.

The uncertainty of holding events in New Mexico is still a challenge at this time.

All of you ropers that have supported our Clovis District are invited to come join us at our Levelland and Amarillo districts for the upcoming season.

We do hope to bring our Clovis ropings back, but even if that is a possibility, it will be March at the earliest that the Curry County Events Center will allow events on their calendar. They are working with us on dates, but there are just so many unknowns at this time. We will continue to keep you all informed as soon as we know anything for certain.

All our best to all of you,
