

Newsletter – November 2021

May each and everyone have a blessed and bountiful month of Thanksgiving this November. A lot of crazy is still going on in the world but we all certainly still have many things to be thankful for. Let's all count our blessings!

There are some more district updates to share with you for our 2022 season. We are so very happy to announce all of the following. Troy and Kelly McDonald will be producing the Amarillo district and will have their first roping this month on November 19 & 20 at Range Riders Areana. Brian and Shana Drum will be hosting the Levelland district starting January 8th at the Mallet Event Center. Our Clovis district is back and will be run by Daniel and Erin Montano at the Curry County Event Center; their first roping date will be next month on December 18. All of these families have supported OTRA for many years and have put on great ropings of their own. They will all be working hard to continue bringing success to each of these districts.

The full district schedule can be found in this month's issue of Dally Times. For more district information, see our website at www.otrc.net and check for posts on our Facebook page. We are looking forward to many great things happening for the upcoming roping season.

Also, please note that the West district will rope this month as well – on November 13th at Black Gold Arena. Buckles will be awarded to Average winners in each category. AND \$500 cash will be awarded to both the high point header and heeler of the day!

All our best to all of you,
Tim & Whitney McCright
Original Team Roping, Inc
