

Newsletter – March 2022

The 2022 season is in full force and we have been having some great district ropings. We are very grateful to all our producers that keep working hard to provide a fun and competitive place for everyone to rope. Things are shaping up for OTRA Finals 2022. We encourage all our members to get qualified for your district finals and also get qualified for association Finals. There are lots of good prizes and money to be won along the way, so be sure to enter up and plan for success! We will be giving out the regular season high point awards again this year. This program is designed to reward the ropers that not only win the most, but also rope the most. Both placing and perfect attendance play a role in accumulating the points. To keep everyone informed, here is how it works.

ASSOCIATION WIDE REGULAR SEASON AWARDS:

Prize Money to Top 3 High Point Ropers!

1st - \$2500 2nd - \$1500 3rd - \$1000

Points are based on Perfect Attendance and Placing at District Ropings. Attend at least 2 different district dates in your home district AND at least 2 different district dates outside your home district. Attend every date in a category at a district & receive 1 point per category for perfect attendance. Receive 1 point for every time you place in any district on any date.

Also – The Regular Season High Point Female Roper wins \$500 OTRA Finals Entry Credit! (*same rules as Top 3*)

Regular Season High Point Roper in *EACH DISTRICT* will receive \$500 OTRA Finals Entry Credit. Finals Entry Credit for OTRA Finals only. District points: 1 per place & 1 per perfect attendance category.

AND – this is important to note - one roper *cannot* receive more than 1 regular season high point award.

Hope to see you at the ropings!

All our best to all of you,
Original Team Roping, Inc
