

Newsletter – February 2024

We are up and running with a great start to the new season. Despite some cold January winter weather, we've had some really good turnouts. We know the cost of EVERYTHING just keeps getting higher and we are working diligently to continue to provide the lowest-cost ropings possible. Hats off to our producers who spend countless hours and invest their time and effort to put on our OTRA events. Please be appreciative of them and thank them for their hard work and dedication.

Our February is FULL of lots of district ropings, so get out there!
