

Newsletter – November 2024

A couple of ropings this month of November as part of our 2025 Regular District Season:

November 23 - El Reno, OK at Redlands Royse Ranch Arena

November 30 - Clovis, NM District at Roosevelt County Fairgrounds in Portales

Find more info on our ropings see our website at www.otrc.net, our Facebook Page and on Instagram @originalteamroping.

The majority of our district dates are set for the upcoming year. Check out the full page schedule advertisement in this month's issue of Dally Times!

We encourage everyone to get to your district ropings. Remember you have to be qualified at the district level in order to compete at OTRA Finals for the grand prize pickup truck and all the other great prizes.

Our Regular Season point races will be held again this year – the more ropings you attend, the better your chances at earning points and grabbing some extra money!

As you fill out your membership applications, please remember to include your phone number, email and mailing address so we all the info we need to be in contact with you.

May we all give thanks for all our many blessings during this month of Thanksgiving!

All our best to all of you,
Original Team Roping, Inc.
