

Newsletter – FEBRUARY 2026

This will be another busy month of OTRA events!

FEBRUARY 7 – AMARILLO & SAN ANGELO & EL RENO

FEBRUARY 21 – DECATUR & VERNON & PORTALES

FEBRUARY 21 & 22 – STANTON

FEBRUARY 22 - CLEBURNE

FEBRUARY 28 – ABILENE & AVERY

If you haven't realized already, we have added the #1.5 roping back to our event format! It is a required roping at the district level that can be run as a separate four head roping or as an incentive on 3 head in the #2.0 roping. Since it is required at the districts, it will also be held at the OTRA Finals in Abilene this summer. It will be held as its own roping with all the prizes and points to go along with it! We are still working out the details for our daily schedule at Finals, but the #1.5 will fall in along with our basic roping order. Adding the #1.5 means ropers have more chances to earn more points for the truck! We will also be awarding UTVs again this year – they will be awarded to first place winners in the #1.0, #1.5, #2.0 & #2.5!

We can't encourage everyone enough to plan now for Finals! Get qualified at the Districts! Get qualified in as many roping divisions as possible! When it comes to winning the truck, you want to be able to enter every roping you can when you get to Abilene!

We'd also like to recognize our loyal sponsors who have already committed their support again for 2026! We are so very grateful for their support!

Gandy's Dairy - Red River Arenas - Lawrence Hall Chevrolet / Big Country Chevy Dealers
Reed Beverage / Coors of Abilene - Coolhorse - Clear Creek RV - Hughes Trailers - Slash W Cattle
Brick & Mortar Solutions - DT Farrier Services - Boyd Veterinary Hospital - Stretch Roping Dummies
