IMPORTANT DETAILS!

QUALIFICATION REQUIREMENTS: Ropers qualify by attendance & must have a 2026 membership. For the Beginner, 1.0, 1.5, 2.0, 2.5 & 3.5, roper must be qualified from District level to compete at OTRA Finals.

A roper must have competed in the specific roping category – either in 3 Home District ropings or in 4 ropings in any combination of Districts. For All Girl, Century, Mixed-Jr/Sr & 4.5 roper must be qualified in any category from 3.5 & below. *Qualifications verified prior to pay out. Unqualified roper results in team forfeit of money, points & prizes to next qualified team.*

WINNERS MUST PROVIDE SOCIAL SECURITY NUMBER AND COMPLETE A W9 TO COLLECT MONEY.

When matching up the draws, we will attempt, BUT CANNOT GUARANTEE that you will draw up to the highest classification.

Ropings with 200 or more teams will have rotations - in those ropings, a minimum payout per team will be \$1800 (\$900 per roper). Places to be paid will be based on number of paid teams & number of rotations held. Standard OTRA Finals places & percentages will be calculated then adjusted considering the minimum payout amount. OTRA rules in effect. Stock charge 40% except as noted. Ropings are progressive after 1. 1st in the Beginner receives a buckle regardless of the length of time of being a Beginner; a Finals only exception.

A tie breaker on any high money saddle will be determined progressively by number of entries in the category that day, then number of district dates attended, then a coin flip.

A tie on truck points will be determined progressively by finals money won, number of finals entries, number of district dates attended.

Points awarded for High Point prizes will be determined by number of teams & places paid in each of the designated Finals ropings. *First place will not earn more than eight points. In a roping that pays more than eight places, first place will receive eight points, second place receives seven points & so on through eighth place, then every place after eighth will be awarded one point. In a roping that pays eight places or less, points will be awarded on a descending scale determined by the number of places paid.*

Additional entries may be needed for the Draw Pots. Additional Draw entries must be handled before roping starts.
If you DO NOT want to participate for extra draws, you must indicate so on the entry card.
**If you are drawn for additional runs, you may choose to pay or to not pay for the run(s). If you choose to pay, you will receive full appropriate payout, points & prizes. If you choose to not pay, you will receive only half of payout and no points or prizes. Having additional draw entries is the only allowance for any roper exceeding the entry limit of 10 times.
